

# 2026 Competition for Outstanding Student Research in Land Economics

## Application Form

This competition is open to Ontario Master’s students studying land use and development. The award is intended to recognize innovative student research in land economics. Submissions may include: a paper or project created as part of a major paper/thesis, coursework, or extracurricular work.

Submissions should include no more than 10 pages of text and/or graphics, plus title page and reference list. Submissions may include essays, reports, or slide decks in pdf format, with a maximum size of 10MB. Do not include videos, animation, or embedded links. [Refer to competition page for details](#)

Deadline for submissions is February 15, 2026, 11:59 p.m.
